1. **The Colonial Era:** This section examines the experiences of African Americans and Latinx people during the colonial period, including the transatlantic slave trade, the Spanish conquest of the Americas, and the American Revolution.
2. **The Nineteenth Century:** This section covers the period from the founding of the United States to the Civil War, including the

development of slavery, the Mexican-American War, and the abolitionist movement.

3. **The Twentieth Century:** This section explores the experiences of African Americans and Latinx people during the 20th century, including the Civil Rights Movement, the Chicano Movement, and the rise of mass incarceration.
4. **The Twenty-First Century:** This section examines the challenges and opportunities facing African Americans and Latinx people in the 21st century, including the Black Lives Matter movement, the #MeToo movement, and the rise of the alt-right.

This book is essential reading for anyone who wants to understand the true history of the United States. It is a powerful and provocative work that will challenge your assumptions and change the way you think about the past.
