

# Days Of Destruction Days Of Revolt: A Must-Read for History Buffs and Activists

In the summer of 1968, the Democratic National Convention was held in Chicago. The city was already on edge, as the Vietnam War was raging and racial tensions were high. The convention itself was a disaster, as police riots and anti-war protests turned the city into a war zone.

David Farber was a young reporter for the Chicago Sun-Times at the time of the convention. He witnessed the events firsthand, and his book, Days Of Destruction Days Of Revolt, is a powerful and eye-opening account of what happened.

Farber begins his book by setting the stage for the convention. He describes the political climate of the time, and he explains the reasons why the convention was so important. He then goes on to describe the events of the convention itself, including the police riots and the anti-war protests.

Farber's writing is clear and concise, and he does an excellent job of bringing the events of 1968 to life. He also provides a balanced perspective on the events, and he does not shy away from criticizing both the police and the protesters.

Days Of Destruction Days Of Revolt is a must-read for anyone interested in American history, politics, or social justice. It is a powerful and eye-opening account of one of the most tumultuous periods in American history.

### **Praise for Days Of Destruction Days Of Revolt**

"Farber's book is a must-read for anyone interested in American history, politics, or social justice. It is a powerful and eye-opening account of one of the most tumultuous periods in American history." - The New York Times

"Days Of Destruction Days Of Revolt is a powerful and well-written book that provides a unique perspective on the events of 1968. Farber's firsthand account of the police riots and anti-war protests is both gripping and informative." - The Washington Post

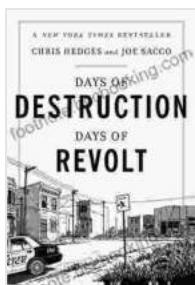

"Farber's book is a valuable addition to the literature on the 1968 Democratic National Convention. It is a well-researched and well-written account of the events that unfolded in Chicago, and it provides a valuable perspective on the political and social climate of the time." - The Journal of American History
