Through vivid prose and stunning photography, Rashid invites readers to join him on his epic adventure. From the rolling hills of the Midwest to the majestic mountains of the West, he paints a breathtaking portrait of the American landscape and the diverse cultures that call it home. Along the way, he encounters cowboys, ranchers, Native Americans, and fellow travelers, each with their own stories and insights to share.

Distant Skies is more than just a travelogue; it is a meditation on the nature of exploration, the importance of human connection, and the fragility of the environment. Rashid's keen observations and compassionate insights offer a fresh perspective on the American experience and the challenges facing our planet.

### **A Must-Read for Adventure Seekers and Nature Lovers**

Distant Skies is a must-read for adventure seekers, nature lovers, and anyone who appreciates the beauty of the American wilderness. Rashid's lyrical writing and stunning photography capture the essence of this

extraordinary journey and will leave readers with a deep appreciation for the unspoiled landscapes and the indomitable spirit of those who explore them.

Whether you are an avid equestrian, a seasoned hiker, or simply someone who dreams of escaping into the great outdoors, *Distant Skies* will inspire you to embrace your own adventures and to experience the transformative power of the natural world.

### **About the Author**

Mark Rashid is a renowned author, horseman, and teacher. He has written over a dozen books on horsemanship and the human-animal connection, including the best-selling "Considering Horses" and "Horses Never Lie." Rashid has also been featured in numerous films and television documentaries, including the PBS series "The Cowboy Way." He lives in Colorado with his wife and horses.

### **Praise for Distant Skies**

"A stunning and unforgettable journey through the heart of America. Rashid's writing is lyrical and evocative, and his photography is breathtaking. *Distant Skies* is a must-read for anyone who loves horses, nature, or adventure." - ***Jim Harrison, author of Legends of the Fall***

"Mark Rashid has written a beautiful and deeply moving book about his journey across America on horseback. *Distant Skies* is a celebration of the human spirit and the power of the wild. It will stay with you long after you finish reading it." - ***Temple Grandin, author of Animals Make Us Human***

"*Distant Skies* is a masterpiece. Mark Rashid's love for horses and the American wilderness shines through on every page. This book is a must-

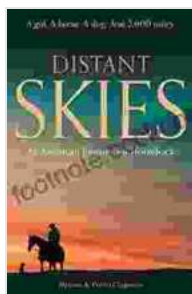

read for anyone who cherishes the natural world." - **Rick Bass, author of *The Wild Marsh***
