

How Sled Dogs Saved the Children of Nome: The Epic Adventure That Inspired a Nation

In the winter of 1925, a deadly diphtheria epidemic gripped the isolated town of Nome, Alaska. With no roads or railroads connecting them to the outside world, the people of Nome faced a desperate situation. Their only hope lay in a daring mission to transport life-saving serum by sled dog over treacherous frozen terrain.

Enter a team of extraordinary sled dogs and their courageous mushers. Led by the legendary Balto and Togo, these canine heroes embarked on a perilous 674-mile journey through raging blizzards and subzero temperatures. They faced treacherous ice floes, towering snowdrifts, and fierce wolves along the way.
