

Never Panic Early: An Apollo 13 Astronaut's Journey

By Jim Lovell and Jeffrey Kluger

Never Panic Early is the gripping account of the Apollo 13 mission, which was nearly a disaster but ultimately became one of the greatest triumphs in space exploration history.

The book is written by Jim Lovell, the commander of the Apollo 13 mission, and Jeffrey Kluger, a science writer and author. Lovell provides a firsthand account of the mission, from the moment the crew was launched into space until the moment they splashed down in the Pacific Ocean. Kluger provides

the historical context and scientific background necessary to understand the events of the mission.
