

Obstacles to Deliverance: Why Deliverance Sometimes Fails

Deliverance, the act of freeing someone from spiritual oppression, is a powerful and transformative experience. However, it is not always a straightforward process. Sometimes, despite the best efforts of both the minister and the person seeking deliverance, it seems to fail.

There are a number of reasons why deliverance can fail. Some of these reasons are within the control of the minister, while others are outside of their control. In this article, we will explore some of the most common obstacles to deliverance and how to overcome them.

Obstacles Within the Control of the Minister

1. Lack of Faith

One of the most important ingredients for successful deliverance is faith. The minister must believe that they have the authority to cast out demons and that God will empower them to do so. If the minister does not have faith, it will be difficult for the person seeking deliverance to believe that they can be set free.

2. Lack of Knowledge

Another obstacle to deliverance is lack of knowledge. The minister must have a good understanding of the biblical principles of deliverance and the different types of demons that they may encounter. Without this knowledge, the minister may not be able to effectively minister to the person seeking deliverance.

3. Lack of Experience

Experience is also important for successful deliverance. The more experience a minister has, the better equipped they will be to deal with the challenges that can arise during deliverance. Inexperienced ministers may be more likely to make mistakes that can hinder the deliverance process.

4. Pride

Pride is a major obstacle to deliverance. If the minister is proud, they may be unwilling to admit their own limitations and may try to do things that they are not qualified to do. This can lead to serious problems, both for the minister and for the person seeking deliverance.

5. Unwillingness to Forgive

Unforgiveness is another major obstacle to deliverance. If the person seeking deliverance has not forgiven those who have wronged them, they

may be unable to receive the forgiveness of God. This can hinder the deliverance process and make it difficult for the person to experience lasting freedom.

Obstacles Outside of the Control of the Minister

1. The Demonic Realm

The demonic realm is a powerful force that can hinder deliverance. Demons are fallen angels who are opposed to God and His people. They will do everything in their power to prevent people from being set free from their oppression.

2. The Flesh

The flesh is another obstacle to deliverance. The flesh is the sinful nature that we inherited from Adam and Eve. It is always at war with the Spirit and will try to sabotage our efforts to be set free.

3. The World

The world is another obstacle to deliverance. The world is a system that is opposed to God and His ways. It will offer us temptations and distractions that can lead us away from God and hinder our deliverance.

Overcoming the Obstacles

Overcoming the obstacles to deliverance is not easy, but it is possible. Here are a few tips that can help:

1. Pray for Faith

The first step to overcoming the obstacles to deliverance is to pray for faith. Ask God to increase your faith and to give you the confidence that you

need to cast out demons.

2. Study the Bible

The Bible is a valuable resource for learning about deliverance. Study the biblical principles of deliverance and the different types of demons that you may encounter. This knowledge will help you to be more effective in your ministry.

3. Get Experience

The best way to gain experience in deliverance is to practice. Offer to help other ministers with their deliverance ministries and ask them for feedback on your progress. The more experience you have, the better equipped you will be to deal with the challenges that can arise during deliverance.

4. Be Humble

Pride is a major obstacle to deliverance. Be humble and admit your own limitations. Don't try to do things that you are not qualified to do. Seek the help of other ministers when you need it.

5. Forgive Others

Unforgiveness is another major obstacle to deliverance. If you have not forgiven those who have wronged you, ask God to help you to forgive them. Forgiveness is not easy, but it is essential for deliverance.

6. Resist the Demonic Realm

The demonic realm is a powerful force, but it can be overcome. Resist the devil and his demons in the name of Jesus. Stand firm in your faith and do not give in to their temptations.

7. Resist the Flesh

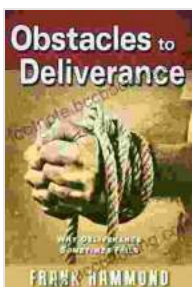

The flesh is always at war with the Spirit. Resist the temptations of the flesh and put your flesh to death. Walk in the Spirit and allow the Spirit to lead you.

8. Resist the World

The world is a system that is opposed to God and His ways. Do not conform to the ways of the world. Be a light in the darkness and a witness for Christ.

Deliverance is a powerful and transformative experience, but it is not always a straightforward process. There are a number of obstacles that can hinder deliverance, both within the control of the minister and outside of their control. However, by overcoming these obstacles, we can experience the freedom that God has for us.

If you are struggling with deliverance, don't give up. Pray for faith, study the Bible, get experience, be humble, forgive others, resist the demonic realm, resist the flesh, resist the world, and seek the help of other ministers. With God's help, you can overcome the obstacles to deliverance and experience lasting freedom.
