Long ago, when the land was young and the sky was still learning its colors, there lived a tribe of Native Americans called the Karankawas. Among them was a young maiden named She-Who-Is-Always-Laughing. Her laughter was like the tinkling of wind chimes, bringing joy to all who heard it. She was as beautiful as the wildflowers that bloomed in the spring, her long, flowing hair as dark as the raven's wing, and her eyes as bright as the morning star.

One day, as She-Who-Is-Always-Laughing was gathering berries in the forest, she came across a wounded buffalo. The mighty beast had been caught in a hunter's trap, and its leg was badly injured. Without hesitation, She-Who-Is-Always-Laughing rushed to the buffalo's aid. She carefully

removed the trap and tended to the wound, speaking softly to the animal to calm its fears.

As the sun began to set, casting golden rays across the forest, the buffalo was finally able to stand. It looked at She-Who-Is-Always-Laughing with eyes filled with gratitude, then turned and walked slowly away into the gathering darkness.

That night, She-Who-Is-Always-Laughing had a dream. In her dream, the Great Spirit appeared to her and said, "My child, you have shown great compassion and kindness to one of my creatures. For this, you shall be rewarded. From this day forward, the wildflowers that bloom in the spring will be a reminder of your kindness. They will be called bluebonnets, and they will be a symbol of the beauty and sacrifice that you have shown." alt="She-Who-Is-Always-Laughing tending to the wounded buffalo">

When She-Who-Is-Always-Laughing awoke, she knew that the Great Spirit had spoken the truth. She went outside and saw that the fields were now covered in a sea of bluebonnets. The flowers were as blue as the sky and as soft as velvet. They swayed gently in the breeze, reminding all who saw them of the legend of She-Who-Is-Always-Laughing and the wounded buffalo.

The legend of the bluebonnet has been passed down through generations of Texans. It is a story that teaches us about the importance of compassion, kindness, and sacrifice. It is a story that reminds us that even the smallest of actions can make a big difference in the world.

Today, the bluebonnet is a beloved symbol of Texas. It is a flower that represents the beauty and resilience of the Lone Star State. It is a flower

that reminds us of the legend of She-Who-Is-Always-Laughing, a legend that will continue to be told for generations to come.

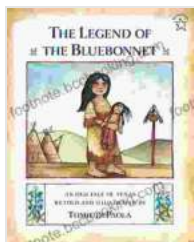

If you have never seen a field of bluebonnets in bloom, I urge you to make the trip to Texas in the spring. It is a sight that will truly take your breath away. And as you stand there, surrounded by the beauty of the bluebonnets, take a moment to remember the legend of She-Who-Is-Always-Laughing. It is a story that will warm your heart and stay with you long after you leave the Lone Star State.
