In his new book, *What Are You Doing Today About Tomorrow?*, bestselling author and speaker Zig Ziglar answers that question with a simple but powerful message: **The future is created today.**

Ziglar shows us that the decisions we make today, no matter how small, will have a profound impact on our future. He challenges us to ask ourselves:

\* What am I doing today to improve my health? \* What am I doing today to build my relationships? \* What am I doing today to grow my career? \* What am I doing today to make a difference in the world?

If we're not satisfied with the answers to these questions, then we need to start making some changes. Ziglar provides a wealth of practical advice to help us get started, including:

- \* Setting goals and creating a plan to achieve them
- \* Developing a positive attitude and staying motivated
- \* Building strong relationships and networks
- \* Taking action and never giving up

*What Are You ng Today About Tomorrow?* is a wake-up call for anyone who wants to create a better future for themselves and their loved ones. It's full of practical advice and inspiring stories that will help you take action today to achieve your goals tomorrow.
